SUBJECT: REGISTRATION OF VEHICLE WITH OUT-OF-STATE LIEN

Our office is assisting the person(s) whose name and address appear in Section 1 of this form in registering a vehicle in the state of Florida. The applicant has indicated that you are the lienholder on the described vehicle. For the vehicle to be registered in Florida, we require the individual to apply for a Florida title at the same time or to produce proof that the title is being held by an out-of-state lienholder. **We request that you comply with one of the two options provided below.**

- 1) Mail the title to the address in Section 2 of this form. The vehicle will be registered and titled in Florida showing your institution as lienholder. The title will be held electronically. We prefer that you follow this method.

NOTE: If you will release the title, in accordance with Florida statutes, the Department of Highway Safety and Motor Vehicles requires all titles with liens will be held electronically in the state of Florida. This means Florida's Electronic Lien and Title (ELT) program requires mandatory participation from lenders

- 2) If you will not release the title, you must send our office a copy of the title with a letter on your letterhead indicating there is an outstanding lien on the described vehicle. The year, make and vehicle identification number (VIN) of the vehicle must also be included in the letter. An email copy is acceptable. No documentation is required for registrations.

If the vehicle is leased, please submit your Florida Sales Tax Exemption Number and an original Power of Attorney allowing the lessee to sign the required documentation

Your cooperation in this matter is appreciated.
